~~Satisfied that~~ there are no good ground for enhancement

Letter No A.S.C-154/45-46 Dt 31-7-45 from the Dy Comm Kolar Dt. requesting sanction to enhance the Commission payable to the Shanbogues of the Chickballapur Town mcp for the collection of Mohatarfa Taxes from 5% to 7%.

The same recommendation was made to Govt in Aug 1944 by the D.C Kolar Dt but after due consideration Govt in their letter No L 3155/MC 4-44-1 Dt 10.10.44 replied that the proposal is not acceptable to Govt as no case is made out for the proposed enhancement especially in this mcp. "A"

2. A reconsideration of the orders of Govt is requested.

3. Submitted for orders with the previous file vide ref.

4. There is provision under article 322 (c) of the Municipal Records Manual vol II to give a higher rate of Commission than 5% to prescribed therein

5. The proposal was once vetoed by Mr. D.C. Kolar Dist by at the instance of the Chikballapur Town which urged a reconsideration of

The orders of Govt. The reasons are given
[illegible] concerning
It is stated that the collection
of taxes thro' the Chaukidars as
compared with against the work done by the
bill collectors is not more economi
and that the collection work is very
efficiently done. Out of a demand
of Rs 14,700, the arrears left at the end
of revenue are stated to be only Rs 250
The increase is also recommended on the
analogy of the increase sanctioned
for the case of the Police pointed to the
Chaukidars in the Revenue Dept. recent
Further, it is proposed as a temporary
measure for the period during which the
dearness allowance is in force
& Having regard to the above facts, the
recommendation may perhaps be sanctioned with
effect from 1944 onwards. For orders

It would set up an inconvenient
precedent to allow such increase.
No revision in rates is called for
To my knowledge, Chickballapur
Mfg is generally found in default
of taxes

GEN & REV. SECRETARIAT. 932 3 AUG 1945 L.S & BRANCH

The Additional Secretary to Government of Mysore, Bangalore.

Sir, Recommendation of Chickballapur Municipality to enhance the commission, now paid to Shanbhogs of Chickballapur Town Municipality for collection of Mohatharfa Taxes.

TD 4-45-23

Adverting to Law Secretary's letter No.I.3150/11. 4-44-12 dated 10/10/44, stating that the proposal to raise the rate of commission to the shanbhogs of Chickballapur Municipality is not acceptable to Government, I have the honour to state that the Municipal Council of Chickballapur considered the subject once again in their meeting held on 30/5/45 and have resolved that the Government may be requested to sanction the temporary enhancement of the rate of commission to 7% for the period during which Dearness Allowance is in force and that the enhanced rate may be paid from the year 44-45, the extra cost involved being met from the closing balances of the Municipality. The President of the Municipality adds that the work of the shanbhogs is satisfactory. It is reported that out

"A"

out of a demand of Rs.14,70C/- for the year 43-44, the arrears at the end of June were only Rs.250/- and that is the three shanbhags have been taking keen interest in collection work their present scale of commission deserves favourable consideration as the living conditions of middle class people are very hard nowadays. The President urges that two bill collectors on Rs.20/- each and 2 peons on Rs.10/- each would be the minimum establishment required for collection of such taxes in this Municipality and if such whole time establishment is entertained it would cost Rs.1104/- per year exclusive of D.A. The commission payable at 7% however comes up to Rs.1008/- only which is less expensive than the permanent establishment. The shanbhogs have been repeatedly pressing for enhancement of the scale of remuneration. The patel of the shanbhogs and patels in the Revenue Department has been raised by 25% and the case of Municipal shanbhogs may also be sympathetically reviewed. I would therefore request that the previous orders of Government may kindly be reconsidered if possible and the resolution of the Municipality to raise the commission from 5% to 7% with effect from 44-45 may kindly be sanctioned.

2. The connected papers are enclosed.

I have the honour to be,
Sir,
Your most obedient servant,

Deputy Commissioner,
